MINUTES OF PROCEEDINGS

The CURRICULAR COMMITTEE formed for the year 2020-2021, held its first meeting on 23/7/20 at 11 AM. The coordinator Dr.Suneel V Vadavadagi had welcome the Chairperson Dr. R.Gowramma Principal , all the committee members and HOD's and called on everyone to work efficiently for the smooth functioning of the institution. The Chairperson called on all the staff members to take utmost care for the progress of every individual student in the institution, also stressed on the usage of library facilities for the students even during the evening hours to enable them to enrich their knowledge even after the college hours.

TOPIC/AGENDA	OUTCOME
Discuss the academic activities for the year 2020-21	The academic activities for the current year was put forth by the committee members, after consent from all the members it was decided to conduct regular academic enrichment programmes in every dept. so as to facilitate the learning process.
Planning & modifying the time table for the current year	The time table for the current batch of BDS students was discussed & revised. The time table included more of theory classes early hours of the day, to extract more attention during theory classes. The time table also included frequent visits to community centers through dental camps organized in nearby villages. An academic calendar was set up to facilitate the smooth flow of events during the current year.
Attendance percentage of the December batch students.	The students academic progress after the commencement of first internals was looked into, a separate list of academically weak students was done and remedial classes for them was considered on Sundays according to their convenience. The attendance of Dec batch students was also considered and students short of attendance were informed to their wards through sms/post. The staff were advised to take special concern towards these students.

Planning out of interns posting & preparation of final interns posting list

The passed out interns list was made, the interns posting list was designed making space for both clinicals & community based practical learning. Dr.Suneel, the co ordinator of the committee, advised the HODS to inculcate both academic activities as well as group discussions, demo classes and field events to evoke interests of the students in their particular subjects. Recapitulation of the classes taken at regular intervals would help the students and to orient them towards better learning. Monthly meeting of staff and class representatives to enquire about their difficulties and doubts on the subjects.
