STRATEGIC PLANNING FOR 2020-2021

- **Vision & Mission**

The vision and mission are taken as the guiding principles while planning and creation of infrastructure and manpower training. The day today academic and support activities are planned and executed accordingly.

- **Teaching and learning**

Creation of smart class rooms, e-resources, conduct of remedial classes for slow learners, skill development and personality development programs for all student. Faculty Development programs are organised for teachers to keep them abreast with new developments, Webinars, Online Teaching is encouraged.

- **Research and development**

Establishing of Research Centre, encouraging faculty to register for PhD program, encouraging students to take up project works, scientific paper presentation, publication of papers by faculty and students' collaboration with apex bodies in the field of Health sciences.

- **Community engagement / outreach activities**

Conducting of health camps, continuing dental education programs and other extension activities in the district, in cooperation with Basaveshwara Medical College and District Administration. Opened a satellite clinic .5th of every month camp will be conducted in the Bruhanmutt. By conducting Oral Health camps, we are motivating, educating, and creating awareness of the dental health among the community. Institution has provided mobile dental clinic in order to assist in our outreach activities.
