ORIENTATION DAY REPORT

The institution conducted the "Orientation Day" programme for the 1st year B.D.S students on 23/3/2021, at Shimusha auditorium. The event was graced by Dr. Suresh, principal, Subbaiah Dental College and DCI Member as the chief guest, Principal of SJM Dental College. HOD's, teaching and non teaching staff. A total of 45 freshers enrolled students were in attendance along with their families. The program commenced with an invocation seeking the blessings of the Almighty and watering the plant. Dr. Gowramma, Principal, gave a crisp presentation about the vibrant environment of the college which strongly encourages both academic and extracurricular pursuits and a comprehensive overview of the B.D.S program. Several accolades received by students and faculty on national and international platforms were also highlighted. The students were introduced to all the teaching and non teaching staff, office staff, hostel wardens, physical directors. During our concurrent Family Orientation, participants heard from various Head's of Departments, faculty members about how to partner to support your success and learning and also their expectations from the students. The role of parents was also stressed on. This was followed by an informal introduction of the students followed by lunch. Later on a tour of the campus was given and the event concluded with an interactive Q&A session with parents and the principal.
